Dear Parent/Carer,

I can't quite believe that we are in our final term already! I have detailed below the events for this term. Along with these events we have some classes who will be going on a trip related to their learning so please look out for these letters coming our nearer the time.

I have also attached a flyer about head lice for your information – please ensure you read this and if your child has head lice follow the instructions thoroughly to ensure that they are treated properly. If you have any difficulties or concerns please contact the school who can forward your information onto our school nurse, Mandy Finlayson, who is happy to support you or give advice.
